

Obstetrician Gynaecologist

MSF Obstetrician Gynaecologists make a huge impact on women's lives in our projects all over the world. Our Obstetrician Gynaecologists also require obstetric skills as they will often run an entire maternity ward. Our maternity units and surgical projects deliver high-quality care, with internationally standardised protocols, hygiene procedures, technical platforms and medical products.

Requirements

- Specialist gynaecology qualification
- Recent clinical experience (at least six months within the last 24 months)
- IT skills (Excel, Word, PowerPoint)
- Fluency in English and/or French; any other languages are an asset (Arabic, Portuguese, Spanish, Russian)
- Available for a minimum of two months
- Commitment to MSF's social mission and values
- Strong team player
- Willingness to work in all kinds of contexts worldwide, including unstable areas

- Adaptable and able to work in a multicultural team
- Flexible and able to manage stress
- Self-driven with a solution-oriented approach
- Ability to train others

Desirable skills

- Advanced Life Support in Obstetrics training (ALSO)
- Working experience in developing countries
- People management experience

This is an exciting and diverse role involving some or all of the following responsibilities :

- Provide health care related to gynaecology and obstetrics to patients, including prevention, diagnosis and treatment
- Ensure the implementation of MSF clinical policies, tools, guidelines and protocols related to gynaecology/obstetrics
- In collaboration with other medical colleagues, collect quantitative gynaecological data and ensure exhaustive use of management tools with a view to improving gynaecological results
- Supervise the maintenance and use of gynaecological equipment and drug consumption, prepare new orders as necessary and oversee rational use of supplies, ensuring that stock levels are permanently updated and available
- Manage, train and supervise the gynaecology team through activities such as recruitment, defining job descriptions, capacity-building, briefing/debriefing and evaluation of staff

Depending on our activities and needs, your responsibilities may be adapted and evolve according to the specific projects. You will not face these challenges alone; other MSF team members (both international and locally hired staff) will provide technical support, including comprehensive guidelines and protocols.

MSF recruits people from all over the world who want to use their skills to make a difference through effective, relevant humanitarian work. To deliver our life-saving medical aid in the areas where it is needed most, we rely on a network of medical, paramedical, logistical and administrative professionals. MSF Switzerland is currently coordinating more than 60 projects in 25 countries. Each year more than 500 international staff join 6,000 locally hired staff to provide medical relief in countries around the world.

By joining MSF, you become part of a team made of extremely hard working, committed, skilled and adaptable individuals. You bear witness to situations you see in the field. MSF offers you opportunities to develop your skills, your career and to take on long-term responsibilities within the organization.
